

## SPRAYER SOLUTION COMPATIBILITY

BH90100/BH90130/BH90140  
Handheld Sprayer

BH90200/BH90230/BH90240  
2 Gallon Backpack Sprayer

### READ INSTRUCTION MANUAL BEFORE USE

- Do not use bleach, alcohol, chlorine, hypochlorous acid, hydrogen peroxide, vinegar, or oil-based solutions
- Do not use tablets, powder or abrasive chemicals
- Do not combine chemicals
- Hoover Sprayers are compatible for use with most water-soluble solutions.
- Make sure all solutions used are the thickness of water for best results.
- Before using any cleaning or garden chemicals, refer to the chemical manufacturer's SDS sheet and master label for safe use.
- Clean your Sprayer and remove chemicals after each use.
- Do not store chemicals in the Sprayer.
- Please continue to check Hoover.com for updates to this list.
